Marking a decade

DEDICATED TO CRAFTING EXCELLENCE

OUR STORY

Shrey got launched in 2013 and since then our Managing Director, Raghav Kohli – an innate entrepreneur, has been the skyscraping visionary for the company and has led us to exceptional levels of global growth. He has utilised his operational experience of more than 18 years to make us an international standard sportswear brand. We initially commenced with the production of top-quality cricket helmets that soon captured the International market and became the most sought after sports gear for top players of India and other International teams. Beyond that, our association with the hockey equipment pioneer- Thomas Kille, allowed Shrey Hockey to launch too. This move has given us new frontiers to conquer terms of hockey market place.

JOURNEY TOWARDS SUSTAINABILITY

SHREY CARE

Our commitment to sustainability began in 2022 with the foundation of the Shrey Care initiative, we scrutinised the fabrics used for manufacturing and began replacing them with recyclable materials.
